Medical

Please make sure we have up to date contact details. We have tried to contact parents when their child is poorly if you cannot be contacted this can be seen as a neglect. We have had a few cases of conjunctivitis this is contagious and your child needs to be kept off until clear.

Car Park

If using the school car park you must chaperone your child to and from the car. Children should NOT be walking across the car park without an adult. A few times this week we have seen children running across the car park and cars have had to brake sharply. Parents will be stopped coming in if this continues to happen.

Read Aloud Day

This week we have celebrated World Read Aloud Day in school. Ask your child which poem they performed and which team won in their class. Find out more on Twitter @WBJSchool and using #WorldReadAloudDay

Information

This is the last term all letters will be going out on paper. Next term all letters will be emailed and a text will be sent to alert you. Any letters that require a response will be sent on paper, we wouldn't expect you to print and return. All letters will also be available on the school website. Paper copies can be collected from the office if required. Not only is this better for the environment but you will be able to access the information quicker.

Violin Performance

3K and 3F have been working hard and having alot of fun this year learning the violin with tutor Josh England. There will be a short sharing assembly for their parents and other year three children, on Tuesday 6th February at 10:15, to celebrate their learning. After half term the other year 3 classes will have their opportunity to learn the violin. We hope you can make it. If you are interested in your child continuing violin lessons, Josh will be on hand to discuss how this can happen.
