Parents' Meetings

After half term we will be hosting our parents' meetings. This will give you chance to come and chat to your child's teacher and discuss how they are progressing so far this year. It will also give you the chance to ask any questions as well. Each year group will host their meetings on a different day of week beginning the 11th November and there will also be the opportunity to see teachers on Thursday after school if you cannot make the allocated afternoon. A letter with the details will be with you on Monday 29th October.

Sporting Update

Last Sunday morning, a group of children braved the weather to run in Cleethorpes Athletics Club's annual cross country.

The conditions were far from ideal in the cold and wet, but the children did amazingly well on the course, which was a little more than a kilometre in length.

Thank you to all the parents and staff who came along to support, and a special well done to Max in year 5 for finishing fourth in the boys race!

Follow @WbjsP for more sporting updates!

Year 6 Trip

A polite reminder that year 6 are attending a trip to the Holocaust museum on 2nd November and we still have many permissions and

payments outstanding. Please return these at your

earliest convenience.

Thank you.

Parking in and around school

Thank you all for your understanding of the car park situation. If you applied for a pass to have access to the car park, please ensure you reapply for after half term. For those that have been granted access into the car park, can you ensure that you park as far left as you can on entry and never use the disabled space.

On another note, we believe some of the residents in and around the roundabout on Barnett Place have formally complained to the council about the parking outside of school. Please be mindful of the community and local residents when

Appropriate clothing

As autumn is drawing in on us, it is important that children have appropriate footwear and coats in school as at times the weather can be unpredictable. Please avoid your children walking/running on the grass in the mornings as some children will have wet feet and socks for the remainder of the day.
