

Arrival times:

It has become apparent over the last couple of weeks that several children are coming to school before 8:30am. School doors open at 8:40am when children can come straight into the classrooms. The playground is not supervised before this time. If children need to be at school before this time then there is breakfast club they can come to which opens at 8am.

Internet

Safer Internet Day 2017 took place on Tuesday and the children participated in activities designed to raise awareness of the dangers online. Some activities were led by our very own E-Cadets! Children learnt about how to be safe with images online, and what we can and cannot trust online. We encourage parents and carers to speak to their children regularly about their online activity. For further support, visit www.getsafeonline.org.

Swimming Year 4

This week we had Lorraine, the swimming teacher from Havelock, over to visit year 4. We were told lots of information regarding swimming and got the chance to ask lots of questions. A letter has been sent with all the details.

Building Work

Due to Building work in Year 3 next week please collect your children from 3S & 3A outside their classroom door which is at the front of the school and drop them there at 8.40am. Sorry for any inconvenience caused.

School Nurse's Top Tips for Beating Head Lice

- 1 If you see a live head lice treat with head lice lotion and repeat after 7 days.
- 2 Wet comb using conditioner and a nit comb 3 times a week.
- 3 As part of your regular routine continue wet combing weekly.
- 4 If you have any further questions please come to see our school nurse at the monthly Pop Ins.

Next week Year 4 are going to be designing and making chocolate with packaging. We would greatly appreciate any moulds that the children could bring into school. Ice cube moulds are perfect to create our mini treats. Thank you so much for your support! We will be making our chocolate on Wednesday afternoon.

Mobile Phones, I pads, Tablets

Should not be brought into school. If your child is going somewhere after school then they MUST hand into the school office first thing and collect at end of day.

Year 6 SATS assessment week 13th February 2017

Next week year 6 will have an assessment week in preparation for the forthcoming SATS in May. The children will not have homework this week, however, we do ask that the children have a good night's sleep and are prepared for the tests. This means ensuring they have breakfast and arrive to school on time. It is important to gain an accurate assessment as to where the children are in relation to the end of year expectations so we can plan in any additional support for after half term. If your child is absent for any reason, they will have to sit the tests on their return. Many thanks in advance for your support.
